Mason is one of the leading stain manufacturers in the United States. We carry the complete Mason color line. They give color to glazes, slips and clay bodies. Most Mason stains can be used at any temperature.

Mason Stain color charts contain a wealth of information including the firing range of each stain and the best base to use.

They are only \$3.95 at ClayPeople.

DECAL SHEETS

Add beautiful decal images to you pieces.

Apply on a glazed surface only. Clean up the ceramic surface with industrial alcohol (about 75%). Prepare a bucket of enough water to cover the size of the decal paper. Add 3% alcohol to the water. Dip the decal paper into the water, take it out right away and attach it to the piece.

\$6.00/Sheet
